GOVERNOR PINGREE IS

CITED FOR CONTEMPT

LANSING, (Mich.), Dec. 24.—On petition of members of the Ingham county bar, Judge Wiest of the Ingham County Court today ordered Governor Pingree to appear in court next Saturday and show cause why he should not be punished for contempt. The action is based on an interview which was published in the Detroit Tribune, December 7th, in which the Governor bitterly attacked Judge Wiest and Prosecutor Tuttle of Ingham county. Attached to the petition for an order is an affidavit by the Tribune reporter who secured the interview, which affirms that it was given for publication and that the following day the Governor informed him that the interview as printed was all right and commended its fairness.

Report Great Victory.

PEKING, Dec. 26.—The French report encountering 2,500 Chinese and capturing five flags and a number of guns and inflicting a great loss upon the Chinese, 35 miles south of here. The report is generally discredited. According to the rumor, the French did not suffer any losses themselves. It is believed, however, that the French probably met a roving band which was dispersed, a number of the Chinese being butchered.

General Fight at Iwilei.

The native Hawaiian residents of Iwilei and a few Japanese from the coral indulged in a free-for-all fight New Year's day. The natives were enjoying a lull to which the Japanese invited themselves. Either this breach of etiquette or natural racial antipathy precipitated war. The arrival of the police saved the Japanese from extermination.

Bids Opened Yesterday.

Bids for the construction of a bridge across the stream at Wahiawa were opened yesterday at the office of Superintendent of Public Works. No awards have been made. The bids

were as follows: Palton & Russell, \$1075; J. H. Wilson, \$1450, including hauling; Holloway & Townsend, \$1,145. The Hawaiian Fruit & Plant Co. made a bid of \$231 for the hauling.

NEW QUARANTINE PHYSICIAN.

Dr. L. E. Cofer Arrived to Take Charge of Position of Dr. Carmichael.

Dr. L. E. Cofer arrived yesterday on the Zealandia to take the place of Dr. Carmichael as government quarantine physician. At first it is understood he will become assistant, the duties of which post are being administered by Dr. Jobe, but when he becomes familiar with the work here Dr. Carmichael will leave for the mainland to take another post in compliance with a long-standing request upon his part. The new man would have come much sooner but he has lately been ill in a hospital.

Dr. Cofer is spoken of as being an exceptionally competent man and one who has seen many successful years in the service. He is accompanied by Mrs. Cofer and Miss H. Cofer.

One Round Mill.

A lineman of the Hawaiian Electric Company and Jimmie Crane indulged in a one-round pugilistic mill yesterday without gloves. The fracas occurred on King street near Fort and originated in a trifling dispute. The two came out of it with honors equally divided.

The first annual account and statement of A. W. Carter, as guardian of Annie A. T. Parker, a minor, was filed in the circuit court yesterday, and has been approved and confirmed. In the statement was included the expenses in operating the Parker Ranch on the Island of Hawaii. The guardian charges himself with \$42,697.59, and asks to be allowed the sum of \$39,128.39, leaving \$3,569.20 as a balance. Samuel Parker holds an undivided one-half interest in the estate, and has received one-half of the net profits in the estate.

The Hartford, which was ordered to watch American interests in Venezuela and co-operate with Minister Loomis, in their protection, has left Curacao for La Guayana.

Smallpox has almost disappeared at Dawson.

Beat Out of an Increase of His Pension.

A Mexican war veteran and prominent editor writes: "Seeing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy, I am reminded that as a soldier in Mexico in '47 and '48 I contracted Mexican diarrhoea and this remedy has kept me from getting an increase in my pension, for on every renewal a dose of it restores me." It is unequalled as a quick cure for diarrhoea and is pleasant and safe to take. For sale by Benson, Smith & Co., general agents for Territory of Hawaii.

TIME AND SPACE

are practically annihilated by the ocean cables and land telegraph systems which now belt the circumference of Old Earth in so many different directions. "Foreign parts" are no longer foreign in the old meaning of the term. Europe, Africa, Asia, are "next door" to us. What happens there to-day we know to-morrow—if we read THE CHICAGO RECORD, use Special Cable Correspondents are located in every important city in the world outside of the United States. No other American newspaper ever attempted so extensive a service; and it is supplemented by the regular foreign news service of The Associated Press. For accurate intelligence of the stirring events which are shaking the nations—of wars and rumors of wars—of the threatening dissolution of old governments and the establishment of new—of the onward sweep of the race in all parts of the world—the one medium of the most satisfactory information is the enterprising, "up-to-date" American newspaper, THE CHICAGO RECORD.
